INDIVISIBLE . . .

The Nineteen Forty One

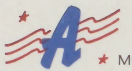

DUNES

HAMMOND HIGH SCHOOL

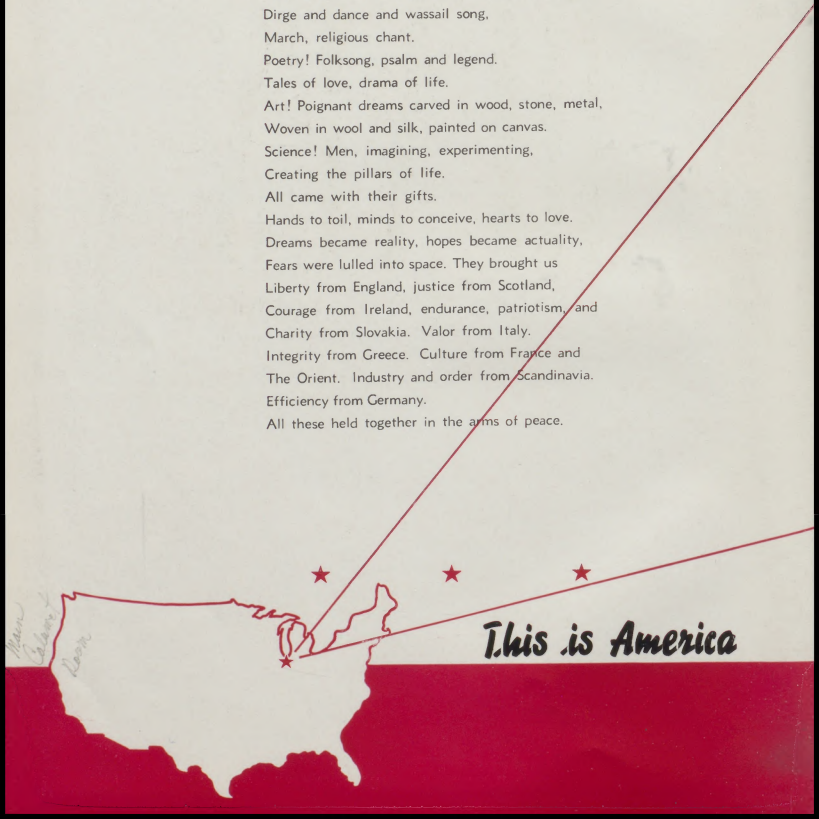

HAMMOND, INDIANA

WITH LIBERTY AND JUSTICE FOR ALL

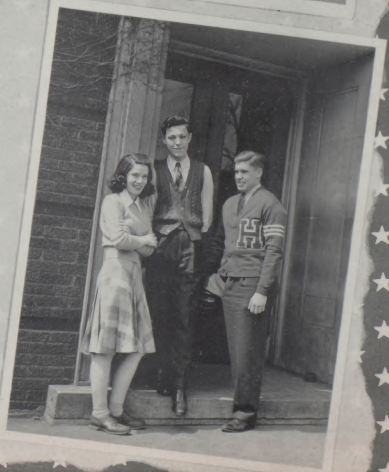

★ MERICA . . . Half brother of the world,
Land of one people with the blood of many,
Seeking freedom, peace, and fortune
They came with their gifts. All brought music;
Dirge and dance and wassail song,
March, religious chant.
Poetry! Folksong, psalm and legend.
Tales of love, drama of life.
Art! Poignant dreams carved in wood, stone, metal,
Woven in wool and silk, painted on canvas.
Science! Men, imagining, experimenting,
Creating the pillars of life.
All came with their gifts.
Hands to toil, minds to conceive, hearts to love.
Dreams became reality, hopes became actuality,
Fears were lulled into space. They brought us
Liberty from England, justice from Scotland,
Courage from Ireland, endurance, patriotism, and
Charity from Slovakia. Valor from Italy.
Integrity from Greece. Culture from France and
The Orient. Industry and order from Scandinavia.
Efficiency from Germany.
All these held together in the arms of peace.

This is the America
Youth has inherited.
This is the America of ideas and ideals.
This is the America that must be
Received, developed, and carried on
For posterity by the
United students of Hammond High.

The association is guided by the president, vice-president, recorder, Senate and the House of Representatives, all elected by the members of the association. The officers who served this past year were Frank Lengyel, president; Cecil David, vice-president; and Marge Hulett, recorder.

The Senate, which is more or less the planning body of the association, is composed of three seniors, three juniors, two sophomores, and two freshmen, each elected by their respective classes. Miss Frances Taylor served as sponsor of the Senate.

Each advisory is represented in the House of Representatives by one representative from each advisory group. The representatives carry back to their advisories a report on what is going on in the association. Mr. Nelson was the sponsor of the House of Representatives, which in co-operation with the Senate, sponsored many outstanding activities.

The president is assisted by a cabinet of four, which he appoints; namely, the Secretary of Student Activities, who is in charge of promoting social affairs, the Secretary of Public Safety, who is the head of the monitors and has charge of safety in and about the school, the Secretary of Student Discipline, who is the chief justice of the student court, and the Secretary of the Junior Red Cross, in charge of the activities of our chapter of the Junior Red Cross.

Everett Cramer was the Secretary of Student Activities assisted by Miss Alice McPherson, faculty advisor. Geraldine Schroeter carried out the activities of the monitors with the aid of Miss Leodocia Strange, sponsor. Sidney Misroch administered the duties of the chief justice of the student court; Mr. Louis Witham acted as sponsor. Mary Lou Sternberg led the activities of the Junior Red Cross with the assistance of Miss Zella Von Gremp, school nurse.

The court, made up of one senior, Edward Sharbak, one junior, Tom Flynn, one sophomore, Wesley Elstun, and one freshman, Kermit Clyne, served as the judiciary body. The court instituted a new card file of offenders and also designed the new court notices.

Such an organization, one can see, promotes a more democratic school spirit, maintains good discipline, trains for citizenship, and aids in the direction of school activities by the students.

The association conducts elections of representatives, senators, class and association officers. Also this organization legislates and enforces laws pertaining to club, social and other school affairs.

The special activities of this year were varied. Students new to Hammond High were welcomed with individual letters from association officers. The association appointed special students in each advisory to help the new members during their first days here.

During the first week of school, a very impressive auditorium session was given in which the president delivered his inaugural address, and for the first time in the history of the school, all officers of the association and officials of the Senate, House of Representatives, Cabinet, and judiciary body were introduced.

On the national election day the association conducted an election for students of the high school.

In November, too, an auditorium session was given. Representatives from the athletic and music departments, and publications and the association vied with each other for the crowns awarded to members of the winning team in a quiz program. Henry Cleveland served as master of ceremonies.

In the same month Mary Lou Sternberg, Frank Lengyel, and Everett Cramer, presented a panel discussion of association activities before the Crown Point High School.

A Christmas tree in the halls was the gift of the association to the school. This was the first time Hammond had an all school tree. Members of the House and Senate also enjoyed a Christmas party.

The welcome for new students the second semester followed much the same plan as that used in September. The welcoming auditorium session was one to acquaint students with the club activities. In this session representatives from various clubs gave students a panoramic view of the opportunities offered them by the different clubs of the school.

The advisory basketball tournament sponsored by the Association in which teams from every advisory participated took place in March. The cup was won by the team from Miss Allman's advisory.

Another innovation of this year was the use of voting machines instead of ballots for the election of association officers.

MONITORS KEPT ORDER IN HALLS

Even a democracy needs some form of policing unit, and though the monitors didn't initiate a system of badges, they did continue their search for faulty admits and added their initials to the legitimate ones. Keeping order in the halls throughout the day, were one hundred thirty active student monitors.

A new type of court notice which provided for a large space in which the offense was to be completely written was put into use. The purpose of this new type notice was to take away any doubt in the minds of the judges as to how, when, and why a misdemeanor took place.

The monitors had a Christmas party in December.

Gerry Schroeter was the Secretary of Student Discipline. Miss Strange was faculty sponsor for the monitors.

ACE OF CLUBS DEVELOPED UNITY THROUGH FRIENDSHIP

The affectionate term "poor freshie" can not be applied to this energetic group of youngsters for they have found that unity comes through acquaintance and activity and active they are! Organized as the only club freshman are allowed to join, the members planned their own programs, and during the year they donated money to the Junior Red Cross to finance parties for orphans and carried on many other activities.

The aim of the club is to promote a wider interest in scholastic standing, to help each other maintain a high standard of living, to develop responsibility for future club membership, and to help freshmen become better acquainted.

The club is under the sponsorship of Miss Pritchard and had as its officers for the year presidents, Peggy Lou Erickson and John Lanman; vice-presidents, Anna Mae Hess and Jacquelaine Stone; secretaries, Velma Curtner and Ernestine Turner; treasurers, Warren Rice and Jimmy Bacon.

AERONAUTICS CLUB HAD ARMY INSTRUCTOR AS SPEAKER

"Eyes up" is the cry of the Aeronautics Club, for the purpose is to stimulate interest in aviation. Due to the present aviation activities throughout the United States, much more interest has been taken in this club.

Four model contests were held during the year in November, February, and May. Ability to construct a model plane that flies is the requirement for entrance.

As a guest speaker, Steve Beville, army instructor, spoke to the club in October.

Elected officials of their club were presidents, Bob Johnson and Fred Scott; vice-president, J. K. Stinson; secretary, Bob Smith; treasurer, Fred Scott; Mr. Garret is the faculty sponsor.

ARTS AND CRAFTS CLUB GAVE THE "CRINOLINE BALL"

The boys' gym became a village green with crinoline and old lace predominating in the decorations for the annual Arts and Crafts dance. Held in the patriotic month of February, the Crinoline Ball combined all the color and traditions of colonial America.

As a field trip, the club visited the studio of Frank V. Dudley, the famous dunes painter.

Several interesting speakers were invited to the club meetings. Among them were Raymond Paul, Chicago photographer, and Mrs. Groman of Hammond, who gave a talk of her world trip with dolls to illustrate the costumes of the people of foreign nations.

The purpose of the club is to further the interest in creative art and to learn to appreciate the works of the artists throughout the world.

The officers for the year were presidents, Esther Karsten and Mary Lee Kennard; vice-presidents, Bob Stoming and Rani Keith; secretary-treasurer, Bernadette Bogner; reporter, Marge Leeney.

The faculty sponsor of the club is Miss Olga Schubkegel.

AUTOMOBILE CLUB AIDED IN CITY SAFETY EXHIBIT

"Got a driver's license?" might well be the question heard when one asks for membership in the Automobile Club, for admittance is for licensed seniors only. The purpose of the club is "to promote an interest in safe driving among beginning drivers."

Highlight of the year came at the time of the City Safety Exhibit when members of the club were asked to operate safety devices in driving.

A round table discussion was held on the radio concerning traffic by three members and Mr. Thorsen, the sponsor.

Three movies "We Drivers," "Where Mileage Begins," and "Close Ups" were shown for the benefit of the members.

Chief of police, Martinson, was a guest speaker at a November meeting.

Officers of the year were president, Bob Bodeman; vice-president, Leonard Graves; secretary, Joyce Crossman; and treasurer, Jean Ogren.

BIOLOGY CLUB HAD CARE OF SCHOOL PLANTS

The beauty and health of the plants which grace the school rooms, library, cafeteria, and halls, can be attributed to the tireless work of the Biology Club members. Chairmen are appointed to each room, and the chairmen in turn have helpers to aid in taking care of these plants. They loosen the ground under the plants, water them, keep them free of insects, and fertilize them.

Th anual trip to the Municipal Pier in Chicago to see the Flower Show was again enjoyed by this year's members.

The purpose of the club is to further the interest in plant and animal life. It is open to all students of biology and has as its faculty sponsor, Miss Reeder. The club officers were presidents, Margaret Sherby and Bernard Wolf; vice-presidents, James Premeske and Ernie Postlewaite; secretaries, Evelyn Walz and Marceil Stump; treasurers Catherine Zacney and Marion Horsch.

BOHEMIAN CLUB PUBLISHED "CRESSET"

Following in the footsteps of ancient man, the members of the Bohemian Club sent light into the night of the students' world by their publication of the "Cresset." This magazine contained the kindled thoughts wrapped in struggle and printed as poetry, short stories, essays, and other creative work. The club promoted interest in creative work by sponsoring a contest for material for the "Cresset." The winners of the contest were Tom Cleveland and Ora McCay.

Three members of the club wrote the "Pageant of Nations."

Officers of the club were president, Shirley Lee Johnson; vice-president, Betty Harrison; secretary, Norma Jean Horrigan; treasurer, Luanne Ault. Miss Kennedy was the club sponsor.

Gay or glamorous, frivolous or tailored, dressy or formal styles reigned at the annual Easter Parade which the Clothing Club presented to the girls of Hammond High accompanied by their mothers. In their best professional manner they modeled the dresses, coats, jackets, formals, and play-clothes that they had made during the year.

The club furthered its activities by a Christmas tea for members and faculty. They received a chance to view the fine points of their interest by taking a field trip to Chicago to see a style show.

In cooperation with the Junior Red Cross, the Clothing Club also made various assignments of clothes for home and refugee relief.

The club is under the sponsorship of Miss Lillis and had as its officers for the year, president, Violet Widen; vice-president, June Daniels; secretary, Agnes Mannion; treasurer, Mary Lee Lowe.

A visit to a business firm in Chicago and two movies concluded the club's activities for the year. PATRIOTISM THROUGH UNITY THEME OF 1941 DUNES

The Dunes staff developed the timely theme of patriotism through unity in the 1941 edition of the annual. To show the cultural contributions of the many countries that are represented in America and in Hammond High, the staff presented "A Pageant of Nations." The pageant, first presented in an auditorium session, was later staged for the general public. The pageant was written by two staff members, Mary Lou Sternberg and Jeanne Wendell, and Shirley Lee Johnson, a member of the staff of the Calumet Herald.

A "Lot of Gold" program fashioned after the popular "Pot of Gold" radio entertainment, was sponsored by the staff as a "starter" for the sales campaign which lasted six weeks. Two free 1941 Dunes were "wheeled" out during the program, Everett Besch and Miss Perle Marie Parvis being the winners.

DRAMATIC CLUB HAD LARGE INITIATION PARTY

"Places — lights — curtain!" — these words are music to the ears of all the young Thespians who make up the membership in the Dramatic Club.

The purpose of the club, which is under the sponsorship of Miss Davis, is to promote the interest of its members in dramatics and the theater and to encourage any talent found among its members in that direction.

At their meetings the club studied and worked on different types of make-up and the members gave readings.

For their new members, the old members gave a large initiation party.

This year, as in past years, the club members attended a legitimate stage play in Chicago, seeing Helen Hayes in "Twelfth Night."

The officers of the year were president, Mary Applegate; vice-president, Janet Smith; secretary, Phyllis Whitaker; treasurer, "Larry" Nichols; sergeant-at-arms, Ted Whitaker.

CHRISTMAS OBSERVED WITH TWELFTH NIGHT PARTY

"I ci on parle francais" was the pass word of the French Club members, for every meeting was conducted in French. At club meetings, cards were played to motivate the speaking of French.

Christmas was observed by the traditional "Twelfth Night Party" and invitations were sent to eligible students taking French.

Refreshments for the party included a large cake containing a button. The lucky person who found the button in his or her piece of cake was the queen or king of the party.

Stories were read about Christmas in France.

Officers of the year were presidents, Esther Anderson, Yvette Bunce; vice-presidents, Blanche Sax, Maurice Lefebare; secretaries, Lara Jean Harlan, Mary Markiewicz; treasurers, Mary Markiewicz, Jack Taylor; publicity manager, Jack Taylor, Ted Whitaker. Miss Robards is the sponsor.

S. P. Q. R. WAS LED BY TWO CONSULS

Posters and various Roman utensils were made by members of the S. P. Q. R. as a part of their study of life and customs of ancient Rome. Latin games and songs were enjoyed at various meetings. In accordance with their name of "Senatus Populus Que Romanus," the club had two consuls and in place of one president, Marilyn Shedd and Bob Keithley served as consuls; Damery Durgy, secretary; and Leona Bonneau, treasurer. Miss Buck and Miss Wood were co-sponsors of the club.

CLEAN SPORT OBJECT OF G. A. C. GIRLS

"Parties galore" seemed to be the unofficial theme of the Girls' Athletic Club this year for each month found them entertaining. A novel theme was used each month. One October night found the gym converted into a barn with a regular barn dance progressing in which all the eeriness of Halloween was shown in the cats and witches used for decoration.

Blue and silver was the theme for the Christmas party and silver reindeer pranced gracefully against the sky of blue, while the girls enjoyed games at the December party.

The annual party for the alumnae was held in connection with Valentine's Day and hearts and valentines were the motif.

Largest event of the year was the April City Wide Play Day. Then the girls of the G. A. C. organizations throughout the city were invited to a day of games with the Hammond High G. A. C. acting as hostess.

May was the month for the Mothers' Tea and June brought the year's activities to a close with the annual presentation of the Senior Banquet.

All organized girls' sports of Hammond High are under direct supervision of the G. A. C., which sponsors intramural activities throughout the year. The object of the club is to stimulate interest in girls' health through physical activities and to promote ideals among the girls by good leadership and good sportsmanship.

Officers of the year were president, Ruth Andree; vice-president, Jane Vincent; secretary, Grace Randazzo; treasurer, Mary June Larson; sports head, Helen Tsouchlos. Miss Anderson and Miss Dietrich are the sponsors.

GERMAN CLUB HOLDS TWO INITIATIONS

Twenty-one new members were initiated into the German Club in September by presenting a stunt much to the amusement of the old members. In February new members were given the job of washing the dishes after a supper which was followed by an evening of Viennese waltzing and folk dancing.

At one meeting a crossword puzzle was filled in completely in German and at another, a German movie was shown.

To raise funds, the club sponsored an after-school dance, the theme being that of "Tyrolean Hearts."

Officers of the club were presidents, Gus Warner and Ray Steiger; vice-presidents, Ray Steiger and Lowell Darling; secretaries, Phyliss Stewart and Gerry Schroeter; treasurers, Gerry Schroeter and Ed Rodda. Miss Schulke sponsors the club.

BUILDING IS THEME OF GIRL RESERVES

"To face life squarely and to find and give the best" is the challenge given to the girls of the Girl Reserves. This year, because of the large membership, the club was divided into a group of new members and old members in order to let the new girls get acquainted with the code, slogan, and purpose of the club.

The theme of the year was BUILDING and programs were carried out with the aid of speakers, plays, and song sessions.

A social usuage group was organized as an aid to an understanding of social functions, while another group was organized under the title of "craft service" to aid in community work.

Work in the city inter-club council made up of the Girl Reserves of Tech, George Rogers Clark, and Hammond High resulted in a November city-wide recognition service held at George Rogers Clark.

In December, Tech was hostess for the Christmas carrolling.

Hammond High Girl Reserves played hostess to the city-wide organization on April 23 at a banquet.

Officers of the year were president, Mary Porter; vice-president, Mary Koehler; secretary, Rosemary Crist; treasurer, Beryl Burch; member-at-large, Helen Hanes; chairman, Marie Rosa; secretary, Bonnie Martin; member-at-large, Eleanor Minas. Miss Bollenbach is the club sponsor.

HI-Y ATTENDED STATE CONFERENCE

When the boys of the Hammond High School Hi-Y attend their many conferences, they return having solved many of their problems by learning those of others. Any problem from the important manner of landing a job to the ever and always important task of getting along with girls—all these are met with equal importance and discussed intelligently at the meetings.

This year the boys went to the State Hi-Y conference at Evansville and president Colin Howat was sent to the National Conference at Oberlin, Ohio.

The club held a series of night meetings on problems of youth ever dealing with their ideal of Clean Speech, Clean Sports, Clean Scholarship and Clean Living in which they try to promote unity among the students.

The District Hi-Y conference was held Tuesday, April 29, in the Hammond Civic Center and Hammond High Auditorium, the Hammond High club acting as host.

The theme of the conference was "The Challenge of Youth." Mr. George Campbell of Cincinnati, Ohio was song and fun leader. Approximately 600 attended the meeting.

Officers of the year were Colin Howat, president; Don Plunkett, devotional leader; Jack Pearson, secretary; Dick Jones, treasurer. The Club is under the sponsorship of Mr. Seddelmeyer.

CALUMET HERALD WON HIGHEST HONORS AT MEDILL CONFERENCE

The 1940-1941 Calumet Herald, Hammond High's weekly paper, edited and printed by and for the students, enjoyed a successful year financially and editorially.

Early in the first semester of school, a sales campaign was started in order to stimulate sales. One of the features of the campaign was a "Boy Meets Girl" auditorium session.

In December, Alice Ludwig, editor-in-chief of the Herald, Dorothy Fallows, Jim Milne, and Mr. A. T. Bolt, faculty advisor, journeyed to Cleveland, Ohio to attend the N.S.P.A. Conference held there.

In March Alice Ludwig, Pauline Fischer, Susanne Pugh, Leonard Schroeter, Damery Durgy, and George Hoffman, and Mr. Bolt attended the Medill Press Conference held at Northwestern University, in Evanston, Illinois. Since it was held on a competitive basis with the high school acquiring the highest number of points winning, the group from Hammond, with a total of 33 points, won first place honors. The individual winners were Alice Ludwig, who won a first in interviewing and honorable mention in news writing and editorial; Leonard Schroeter, who won first in editorial writing and fourth place in newswriting; and Damery Durgy, who won first in sports writing. The winning of this cup was the first time that the school has won a cup in this field of endeavor and in this type of competition.

This year a new system was employed—one by two staffs known as C and H published the Herald on alternate weeks.

The editor-in-chief of both staffs was Alice Ludwig; business manager, James Milne; managing editors, Dorothy Fallows and Leonard Schroeter; news editors, Shirley Lee Johnson and Eleanor Moore; press-bureau, Betty Fae Chayken and Jean Peterson; magazine-feature editor, Susanne Pugh and Pauline Fischer; assistants, Joan Kintzing, Donna Hinkel, and Blanche Helfer; boys' sports editors, Damery Durgy and George Hoffman; girls' sports editor, Betty Harrison; copy desk, Amber Ludwig and Henry Snedden.

The business staff was composed of the following: ad manager, John Evanoff and Betty Beaty; promotion Jim Schnake and Lois Schnake; distribution manager, Hannah Levin; staff photographers, John Wawro and Bob Abbett; staff artist, Morris Pratt.

The faculty assistants were Mr. A. T. Bolt, editorial advisor; Mr. R. H. Dunham, financial advisor; and Mr. W. H. Howe, who was in charge of the printing of the Herald.

The present day students of Hammond High had a glimpse into the past of their school with the help of the Junior Historical Society. Various pictures of the first Hammond High School, several issues of the "Temulac," first newspaper of the student body and predecessor of the Calumet Herald, and other articles of interest were displayed for a week in the trophy case.

The club also prepared scrapbooks on the history of Hammond and Lake County.

The group had charge of a candy sale.

To relieve the congestion of the library and to become acquainted with the library workers' tasks, a group of fifty students worked as library helpers in the study halls. Their duty was to fill the needs of the students in study halls by getting the necessary books, magazines, and materials from the library. In this way it was not necessary for a student to go to the library for a book.

Those students working as staff members in the library continued their duties of helping students find books and introducing them to the library while desk helpers aided by checking out books.

Under the direction of Miss Hawver, school librarian, library lessons were conducted in composition classes.

The library received $311 from groups including twenty clubs, the junior and senior class, and the Dunes.

An inter-library loan from the Public Library was installed for the benefit of teachers.

Miss Hawver was assisted in her work by Miss Exley and Alice Falk.

CHORAL CLUB PROVIDED CHRISTMAS MUSIC

In cooperation with the choral speaking group and art groups, the Choral Club aided in the production of the Christmas pageant. Also as the only high school choral group among many well known city chorus, they appeared at the city-wide Christmas festival.

Under the leadership of Miss Alyce O. Cain the club participated in community affairs by presenting several broadcasts over the local radio station.

Various vocal groups of the club performed throughout the year and the club as a whole sang for the 1941 commencement exercises.

Officers of the year were president, Jeanne Ahlgren; secretaries, Wilma Benson and Kay Kimmel; treasurers, Margaret Phares and Kay Kimmel; librarians, Harold Stump and Marilyn Mattix.

The National Forensic League known as the N.F.L. is an honorary speech organization for high school orators and debators.

Hammond High has the largest chapter of the N.F.L. in the state of Indiana, having 53 members. The Hammond N.F.L. chapter has participated in sixty-one rounds in national competition to top all other Indiana schools.

Mr. Reed is the faculty sponsor of the N.F.L. at Hammond High.

Hammond High's debate team participated in the national tournament held at Lexington, Kentucky in May by special invitation of the executive council of the National Forensic League. The invitation was based on the squad's seasonal record.

The debate squad participated in three invitational tournaments during the current season. At the LaPorte tournament they took first place, at Elkart they came in second, and at Thornton Fractional they again took first place.

Hammond High sponsored a non-decision debate tournament in November in which schools from Indiana, Illinois, and Wisconsin participated.

The varsity affirmative debaters were Lin Griffith and Leonard Schroeter; the varsity negativedebaters were James Schnake and Roy Craig.

Virginia Szypczak won first place in dramatic declamation in the Indiana N.F.L. tournament held at De Pauw University, Greencastle, Indiana in March. The Wildcat debate squad placed second in the N.F.L. tournament.

Blanche Sax won second this year in humorous declamation in the state open meet at Indiana University and first place in the Indiana N.F.L. Tournament of 1940.

Ruth Kaun won first place in dramatic declamation in the 1940 Indiana N.F.L. Tournament.

Mr. Reed has held the elective office of Indiana chairman of the N.F.L. for four terms.

SPEECH ARTS CLUB SPONSORED SPEECH ARTS WEEK

Interest in speech activity is promoted by the Speech Arts Club. The only requirement for membership is a sincere interest in one of the speech, debate, extemperaneous speaking, dramatic declamation, humorous declamation, original oratory, oratorical declamation, or discussion.

To gain support and interest in their work the club promoted a Speech Arts Week with the main events consisting of a radio broadcast, a program for P. T. A., an auditorium session and a banquet. The week was climaxed by the Cherry Tree Hop, a dance which featured a pie eating contest.

During the year members of the club took part in various tournaments at Elkhart, LaPorte, Terre Haute, and Lafayette, Indiana and Calumet City and Elgin, Illinois.

A return invitational was held at Hammond High in February for schools of Illinois, Wisconsin, and Indiana.

Officers of the year were presidents, Phyllis Cole and Dick Sullivan; vice-president, Ethel Pewowar; secretaries, Alice Ludwig and Doris Mae Turner; treasurers, Amber Ludwig and Phyllis Cole.

RED CROSS PROMOTED UNITY AMONG STUDENTS

"To coordinate the welfare work of the school and to assist in the welfare work of the community" this is the purpose of the Hammond High School Junior Red Cross. The Council promoted friendship, understanding, and unity among the students.

Every student of the high school is considered a member of the Junior Red Cross, but those especially interested and willing to work are organized into a Junior Red Cross Club. The meetings are attended by one or more persons from each advisory and reports of action are given the following morning.

The community project included parties for the orphans and aged of the region. A donation from the Ace of Clubs served to finance two Thanksgiving parties, one for the Bethany children's home, and an entertainment for the St. Anthony's Home for the Aged.

The Clothing Club aided in sewing several assignments of clothing for local and refugee relief. This included babys' clothes and dresses for small children.

Under Miss Anderson's direction girls interested in knitting made sweaters for small children.

An annual spring drive helped to raise a contribution to the National Children's Fund which was presented at the National Junior Red Cross Convention in Washington, D. C. Each year the club sends its future president as one of three delegates to the National Convention and thus keeps active in national affairs.

The Red Cross Council was in charge of a loan fund which is used for many philanthropic purposes. The fund was created for worthy students who need glasses, dental or medical care. The students pay the money back in small sums as soon as they are financially able to do so. The loan fund is of great importance to the health and welfare of the students of the high school.

The officers of the year were president, Mary Lou Sternberg; vice-president, Marilyn Mattix; secretary for the first semester, Virginia Perry; secretary for the second semester, Lois Switzer; treasurer, Jo Bindas.

PRESS CLUB VISITED INDUSTRIAL MUSEUM

The energetic group of boys who made up the membership in the Press Club enjoyed many activities this year. The club's most outstanding project of the year was the Benjamin Franklin Banquet held in the high school cafeteria on January 17. The club paid tribute to Ben Franklin, a great printer, and to Mr. Howe for his twenty years of service to Hammond High. The men of the Hammond High School faculty presented Mr. Howe with a leather wallet in appreciation of his service in the print shop. The Calumet Herald gave him "Country Editor."

The club attended the International Stock Show and visited the radio station WMAQ in Chicago. They also made a tour through the Industrial Museum and went to Brookfield Zoo. In June they had a farewell gathering for the seniors at the dunes. This active group, under the sponsorship of Mr. Howe, had as its president, Ralph Vogel; vice-president, Don Emerson; secretary, John Pilzer; treasurer, Henry Piker.

"All aboard" was the cry of the Central Social Committee and Social Representatives in October when the "take off" dance was given. This dance began a series of four dances given throughout the year with the theme of "Travel America." The "Take Off" began the journey and one November evening found the cafeteria transformed into old Mexico. In January the tour had a stop-over in the East Side of New York City, for there a Bowery Dance was in progress. This novel dance was held in the lower hall of the school. Street lamps and concessions helped to set the scene, and the travelers dressed as the natives with bright skirts and sweaters and suspenders and derbies.

The colorful and romantic island of Nassau was the setting for the final dance that concluded the tour.

The purpose of the social representatives, made up of one member from each advisory, under the leadership of Miss McPherson and Everett Cramer, secretary of student activities, is to promote interest among the students in the social functions of the high school. To help accomplish this they sponsored the after-school dances, giving instructions to those who did not know how to dance.

BAND ACCOMPANIED FOOTBALL TEAM TO PORTSMOUTH, OHIO

The Hammond High band accompanied the Wildcat football team to Portsmouth, Ohio last November for the Portsmouth-Hammond High game played on Thanksgiving Day in Portsmouth Stadium. Upon arriving at the station they broadcast a concert over the Portsmouth radio station. A tag day and a concert held in the Civic Center were given to raise the money needed for financing the trip to the Ohio city.

ORCHESTRA PLAYED FOR "PAGEANT OF NATIONS"

The orchestra played at concerts, auditorium sessions, and broadcasts. There were about fifteen ensembles made up from the members of the orchestra. These groups played for various church entertainments, at the Woman's club, P.T.A. meetings, and banquets.

Two string ensembles played at banquets at the Stevens Hotel in Chicago.

A small string ensemble and the orchestra played for the "Pageant of Nations."

The director is Mr. N. K. Diercks and the assistant director Mr. K. Gekeler.

THE JUNIOR BAND GAVE CONCERT AT BROOKS HOUSE

The junior band, under the direction of Mr. E. Nichols, gave a concert at Brooks' House as one of their activities. They also played for auditorium sessions. The junior band, which is made up of the future members of the senior band had a large membership. The various musical organizations made 150 public appearances during the past year.

WILDCATS PLUNGED TO ELEVEN WINS; ONE DEFEAT

The Wildcat Pigskin Parade began with the eleven battling Steinmetz of Chicago. The game ended with the encouraging opening score of 33-0. The newly acquired running ability of Fred Rovai, junior, proved to be the power behind the Purple punch. Rovai tallied three times, the first coming after three minutes of play with a beautiful 65 yard run. The second game of the season finaled with the 6-0 defeat of the Emerson Golden Tornadoes. Rovai again made the touchdown play of the evening in the last few seconds of play. Hammond's third consecutive victory came over Washington of East Chicago in a thrilling rough and tumble football game with a final score of 24-6. This was also the Purple's second defeat of a conference foe. The beautiful co-ordination of the backfield was in evidence and Coach Huffine's three backfield aces all scored during the evening.

A crowd of over 6,200 fans gathered at H. H. S. field the next Friday night to witness the defeat of the Sidney Lanier Poets with a 7-2 victory for the Wildcats. Fred Karohs scored Hammond's only touchdown on a reverse play, dodging two potential threats to victory and blocking off a third with his head. In the next game Roosevelt held Hammond to a scoreless tie the first quarter but eventually weakened with the Wildcats winning 18-0.

The Whiting Oilers traveled to the Purple field for the sixth game of the season. The situation looked hopeless until the last minutes of the game when Dick Johns snagged a pass that had deflected off the shoulders of one of the opponent's players. The score ended with a tie of 6-6.

After a week's layoff Hammond played host to the Horace Mann eleven. Hammond chalked up another victory with a final score of 20-12. The Tech game was played in the afternoon and the Hammond squad, after being bombarded with a barrage of passes wound the game up with a victory.

After deciding to play off a championship tie, the Purple eleven met the Lew Wallace Hornets at the Hammond field for their second game in a week. Hammond failed to win the game after Bobby Livingstone, ace Wildcat backfield man, missed a conversion and the score ended Lew Wallace 7, Hammond 6.

For the final game of the season, Hammond traveled to Portsmouth, Ohio for a decisive game with Portsmouth High. Tricky little Dick Jones, one of H. H. S. unsung heroes, showed the bigger fellows what football was all about when he plowed and clawed his tiny way through the opposing eleven for one of the touchdowns. The other score was also made by a "forgotten Man," Ernie Beck, who, after four years on the gridiron, came to the fore in the 40 season with elusive running and tricky passing. The pigskin toters came home jubilant with a 13-0 victory tucked away under their helmets.

And so ended the season . . . one to be compared with the champion team of '37 . . . courageous kids battling their way to a one loss season.

Colin Howat . . . senior . . . guard — Another strong man who handled himself well on all defensive formations.

Dick Jones . . . senior quarterback — Little Jones was one of the best men, pound for pound, Hammond had this year. He showed much improvement at the end of the season.

Dick Johns . . . senior end — Spirited anchor man who displayed meritorious playing on both defense and offense.

Art Mattox senior . . . end — Varsity end, Mattox, held down the line in all kinds of football weather. His "give and take" ability proved fatal to the opposition.

Fred Rovai . . . back —"Fritz" was a toughly built, tough lad whose running and passing were bright spots of the season. He'll be back next year.

Bill Duncan senior center — Substitute center who handled himself and the ball with the speed and accuracy that makes for a good key man.

Frank Kyle . . . senior back — Frank had a very successful season in the back field in '41. His swiftness of foot proved an incentive for many a touchdown play.

Jerry Matosec junior . . . quarterback —Another "little man" who, in spite of his size was consistent and everlastingly tough in his job as quarterback.

Bill Worland . . . Senior . . . tackle — Without a good tackle a team would be useless and Bill proved that not much could be done when he wasn't in there giving and taking like a trouper.

Hank Cleveland . . . senior . . . center — Outstanding senior, Hank's centering was sparkled with precision and snap.

Don Applegate . . . junior . . . large shifty halfback who gained many yards. Junior and will see plenty of action next year.

Leonard Graves . . . senior . . . left end — This "end man" proved a brilliant pigskin catcher on long passes, those important touchdown points throughout the season.

Marlin Adams . . . guard . . . senior — Here was the scrappiest guard in the Calumet Region. His is the glory of a hard fighting, stone wall defensive right guard.

Jack Georgas . . . junior . . . guard — Dependable left guard, fought as hard as the next man and was indispensable on defense.

Al Lukoshos . . . junior . . . back — Good running material and strategic offensive work showed in Al's playing on the gridiron.

Fred Karohs . . . junior . . . back — Fred was a potential running threat to all his opponents. He proved his ability with his calm playing in many a Wildcat tight spot.

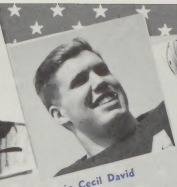

Carl Huffine, piano playing Purple mentor, coached his gridiron protegees to a one loss 1940 season.

Bob Livingstone . . . senior . . . back — Brilliant passer, runner and kicker, Bob was the indispensable all-round man of the eleven this year.

Ernest Beck . . . back senior — Beck was injured the first part of the season, but his brilliant play in the last few games stamped him as one of the best.

Hank Cleveland . . . senior . . . center (not pictured) . . . Hank's height was a great asset to the ball club.

PURPLE SHOWED POWER IN PINCHES

The varsity hardwood five, under the direction of Coach "Chet" Kessler, emerged from the 1940-41 basketball campaign with the enviable record of 10 wins in 20 starts.

In compiling this noteworthy percentage the Cats poured 678 points through the hoop, while their opponents were racking up only 653 tallies.

Lew Wallace trampled the Cats on their initial starter by the score of 52-27. Tech administered a one point heartbreaker to the smaller Purple lads 33-32, snatching victory after the final gun had sounded.

Then the Purple whipped Clark 52-15; Horace Man 45-36; and Froebel 45-36 in quick succession while dropping a tussle to North Side of Fort Wayne 40-24.

Whiting and Washington next fell before the Kesslerite's lightning speed by the identical scores of 27-23. Valpo also succumbed to the more powerful Wildcats 27-22.

The team lengthened its winning streak to six straight by whipping the Roosevelt Rough Riders 33-31. Still riding on the crest of victory the basketeers whipped Emerson 36-34 and Elkhart 44-34.

A slump then overtook the high-riding Purple causing them to drop six games in a row by a total of 18 points. Central of Fort Wayne whipped them 35-34, Whiting 32-30, Horace Mann 34-32, Muncie Central 35-28, Washington 37-34, and Tech 40-37. The cats ended the season by whipping Valpo 30-20 and losing to Roosevelt 38-34.

The Hardwooders entered the tourney at Gary as definite underdogs, but a devastating rout of Griffith 42-20, and an equal bombarding triumph over the favored Hornet quintet 51-27, swung many fans to the Purple wagon.

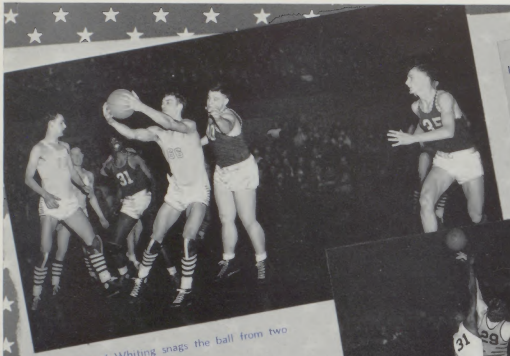

Hammond High advanced to the semi-finals in the Gary tournament before finishing the season by bowing to the strong, do or die Horsemen Squad of Horace Mann 29-22.

TRACK TEAM RATED STRONG CONTENDER FOR STATE TITLE

In spite of ineligibilities, Coach Wonsowitz' Wildcat track squad turned out to be one of the most powerful track combinations in the state. The individual star of the team was Charles Edwards who broad jumped to a new state record for indoor of 22' 8½" and a new Kokomo relay mark of 22' 10½". Edwards was also a good 220 man and the anchor man of the 880 relay composed of Piatek, Mattox and Blackmon. Jerry Blackmon was without doubt the next best broad jumper in the state as he placed second to his teammate at Kokomo with a leap of 22' 6". Mattox developed to one of the state's best high timber toppers. The mile relay team was one of the classiest in the section. It was composed of Presco, Certa, Pelc and Hoskins. Prymuski, Templeton, regular 44 and 47 feet shot putters generally placed first and second in all the meets. Thornton Courtice stretched the school pole vault record of 11' 3" to 12' 6" when he tied for first at Kokomo. With new material and plenty of varsity men on hand the next year's team should be a strong contender for the state title again.

Hammond placed second to North Side of Fort Wayne in the three largest meets in Indiana. These were the Gary Indoor Invitational, Kokomo Relays and N. I. H. S. Conference meet. Hammond was victorious in its city meet by defeating its rival city schools by a score of 86, Clark 35 and Tech 14. In a triangular with Roosevelt of East Chicago and Tech, Hammond defeated the latter two teams by a score of 94, 45 and 12 respectively. A dual meet with Washington of East Chicago again saw the Wildcats as the victor with a score of 82 to 26. The Purple placed second in the Northern Indiana Conference Championship Meet with 60 points. The Wildcats have been rated as the number one team for the state title.

PURPLE GOLF SQUAD UNDEFEATED IN SEASON MEETS

The golf squad went undefeated in season meets, taking Lew Wallace and Valparaiso in a three way meet at the Lake Hills course. They had previously won two triangular meets against these two schools on April 30 at Valparaiso and on May 7 at Gary.

The team was composed of Andy Granack, captain; Andy Micenko, Andy Reibe, Steve Bindas, Louis Kosanovich, and George Horkovich. Captain Granack held the number one spot and shoots in the 70's.

The Northern Indiana Conference battle was held at the Beachwood course, the squad placing third. Last year the squad placed fifth in the conference.

The State meet was held May 24 in the Speedway course in Indianapolis.

SWIMMERS WON STATE CHAMPIONSHIP SECOND YEAR IN A ROW

Swimming their way to the highest honors in the state, the Wildcat mermen ended their splash season with nine victories and five defeats plus the highly coveted State championship.

The first and second meets of the season ended victoriously against Whiting and Lew Wallace with scores of 52-14 and 42-24 respectively. Next the Purple met Horace Mann and were beaten by two points, 34-32. High spot of this meet was the free style relay, ending victoriously for Kolle, Timm, Kohl and Pavelchek. Hammond lost to Danville next, 39-28, but came back to beat Wiley, of Terre Haute, in the next meet. Another defeat followed at the hands of South Bend, with the close margin of another two points, 34-32. Horace Mann and Thornton Fractional fell under the Wildcat ax for the two following meets with scores of 39-27 and 36-30. Culver and Danville were the only two defeats for the rest of the season, the Purple beating Washington, of East Chicago twice, Whiting and Lew Wallace.

Hammond won a second place birth in the conference meet, Paul Clark taking first place in diving and LaBaw second in the 40 yard free style.

In the state meet the Purple splashers won first place with a total of 38 points over Horace Mann with 37 points.

First place winners were G. LaBaw in the 100 yard free style; Paul Clark in fancy diving; Kolle, Kohl, Pavelchek, and Keithley in the 200 yard free-style relay.

TENNIS TEAM PACED BY INEXPERIENCED PLAYERS

This year's team was composed almost entirely of new men, John Pilzer being the only returning letterman. Due to this new crop of racketeers the success of the season was slight. They defeated Lew Wallace twice, both scores being 5-0, Washington of East Chicago twice, and also Whiting 3-2. They were defeated by Emerson and lost one match to Whiting. Pilzer, number one man, had the best individual record, being beaten only once by Beck of Emerson. He was followed by Roy Craig as number two man, Kenny Walker, number three, Sidney Misroch, number four and Leonard Shroeder, number five. Next year's team will be built around Walker and Shroeder.

BASEBALL NINE LOST SEVERAL CLOSE GAMES

The baseball team defeated Valpo, lost one-sided decisions to Roosevelt and Tolleston and lost close games to Whiting and Washington.

CROSS COUNTRY SQUAD PLACED SIXTH IN CONFERENCE

The 1940 cross country team won meets from Washington of East Chicago, Niles High of Michigan, South High of Milwalkee, Lowell, Emerson, and Lew Wallace of Gary and lost to Horace Mann, Roosevelt, Clark and South Side of Fort Wayne. In the conference the Wildcats placed sixth.

GRAPPLERS WON 10 AND LOST THREE IN DUAL MEETS

Winning 10 out of 13 dual meets this season, Coach Staley's rough and tumble boys wound up their year victoriously. The first three meets with Washington, Clark and Edison of East Chicago proved an incentive for the Cats for they won all three with respective scores of 29-11, 35-11 and 38-10. Next, the stronger Roosevelt team put our boys on the "mat" with a 38-5 score. Meeting Thornton Fractional next, the Purple wrestlers outdid the Illinois team 27-11. Another victory followed over Washington 40-6. Then South Bend Central defeated Hammond 32-10 and in two weeks followed another defeat at Central's hands, 36-8. The last five meets with Thornton Fractional, Clark, Culver Military Academy, Roosevelt and Edison were easy marks for the "cauliflower" boys. The Purple grapplers won the Indiana Conference wrestling meet at Roosevelt High with a total of 42 points. First place winners were Tsouchlos in the 115 pound class; Fredericks in the 135 pound class; and Plant in the 145 division.

Rarick and Mounts won second place positions in the 95 and 155 pound classed respectively.

At the state meet held in Bloomington, Hammond won sixth place with 14 points. Fredericks won second in the 135 pound class, and Oltz won third place in the heavyweight matches.

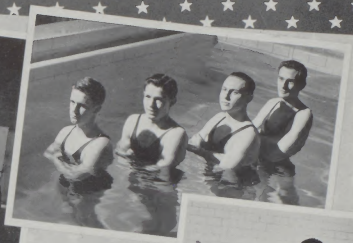

BOWLERS SCORED WINS IN INITIAL YEAR OF COMPETITION

The Purple Pin squad, organized this year, defeated the Hammond Teachers 2 to 1; the Calumet Alley Pin Setters 3 to 1; and the Hammond Purplettes Girls' Team 3 to 0. They were defeated by Twentieth Century Bowlers 2 to 1. A doubles and singles sweepstake tournament, open to all high school pupils, was held in May. All matches were played at Calumet Bowling Alleys.

The team includes: in the back row, Morris and Simborg, in the middle row, Juscik and Naugle, and in the front row, Nichols, Strockman, J. Keith, and M. Hawkins.

Lila Naugle, who this year broke the state twenty and forty yard breast stroke records along with five pool records during the state telegrafic swimming meet in which Hammond placed first, is poised in his form with the swimming trophy won by the juniors in the class tourney.

VOLLEYBALL

After the double elimination volleyball tournament played among the four classes, the seniors reigned victorious and claimed the trophy on which their class name is now engraved. Spiking and indirect service were among the techniques displayed during the tournament. The senior squad includes: in the front, from left to right, Erlenbaugh and Larson; second row, Kelly, Hershberger, and Klebs; top row, Jackson and Andree.

The junior, sophomore, and freshman teams are as follows: in the front row, Quint, Scheffel, Huen, House, Shedd, Adelsperger, and Randazzo; in the second row, Ward, Bauer, Conn, Lorenz, Northrup, Thon, and Gardner; in the top row, Hoeppner, Hechstetler, Keithly, Prohaska, Hawkins, Fehlberg, and Cyrus.

Grace Randazzo spikes the volleyball while Scheffel, Quint, and Thon wait for the return. Hess and Thompson are lending their moral support.

Stoddart, Stankie, and Larson tighten the net before the tilt.

Freshmen and sophomores who played on speed ball teams are as follows: in the back row, from left to right, R. Hawkins, Cyrus, Fehlberg, Gardner, Thon, Wente, Bauer, Conn, Northrup, and Thompson; in the middle row, Prohaska, Hess, McCready, Haines, Ward, Quint, and Post; in the front row, N. Wright, Clover, Curtner, House, Peglow, and Hoeppner.

SPEED BALL

Wintry winds halted the speed ball double elimination tournament after a deadlock had been reached by the junior and senior teams. The final game could not be played until spring. Senior players on the left, reading up are Andree, Stern, Stoddart, Jackson, Kelly, Erlenbaugh, Hershberger, and Klebs. The juniors are Randazzo, Sheedy, Simborg, Adelsperger, Zitzoff, Havengar, Lorenz, and Scheffel.

A trio calls "fore" as Gardner, Creek, and Klebs get in early putting practice.

Hershberger and Klebs are getting ready to jump while Wimmer, Andree, Erlenbaugh, Jackson, and Kelly watch. Larson is tossing the ball.

Junior, sophomore, and freshman basketball teams are composed of the following: in the back row, Kirkland, Farcus, Prohaska, Hoeppner, Lorenz, Cyrus, Gabovich, Havengar, Thon, Simborg, Kelleher, and Ward; in the middle row, Wente, McCready, Creek, Rosenbloom, Conn, Nondorf, Thompson, Fehlberg, Schefel, Curtmer, Mears, Petrich, and House; in the front row, Bogner, Randazzo, Garber, Gardner, and Kundig.

IT HAPPENED IN A GIRLS' SCHOOL

Several years ago a prominent illuminating engineer stopped to see his daughter who was a student at an eastern school for girls. He noticed the very poor lamps and lighting conditions under which the girls had to study. Realizing the terrific eye-strain caused by poor lighting, this illuminating engineer decided to do something about it.

So he went back to his office and, with the assistance of several other lighting experts, designed the ideal lamp for reading and study purposes. Many manufacturers now make lamps which conform to these specifications. These lamps are identified by the I.E.S. tag of approval for the Illuminating Engineering Society. Lamps that carry this tag make reading and studying easier and lessen the dangers of eyestrain.

The NON-UNION Man

The non-union man is a person who reaps where he has not sown. He comes at the eleventh hour and receives his penny. He is willing to profit by the aggressive efforts of others to whom he has given no support. Worse than that, he stands ready to stab in the back the very people who have made it possible for him to command a competence.
